REMOVAL OF THE RAILROAD LATEST BY TELEGRAPH. OFFICES. From All Parts of the World.

Our citizens were sorry to learn that the train dispatcher's office, Mr. C. Y. Cheatham in charge, and the superintendent's office, Mr V. E. McBee in charge, have been or-dered to be moved from this place to Asheville. Mr. Cheatham has go about the first of the coming year. It was also rumored that both Auditor and Treasurer were both Auditor and Treasurer were soon to follow, but Mr. McBee says these are to remain here. This change is made necessary for several reasons. New relations have been established between the Western road and the Spartanburg and Asheville, and also with the Chester and Lenoir narrow guage line. These new relations require that the company's offices go to a more central and convenient lossition, hence the manufacture of the late of the

We take the above from the Salsbury Wathman, and reproduce it to do justice to the manly and genporary. Salisbury, ever since the construction of the Western North Carolina Railroad has been the headquarters of the Company, the residence of the offices and their families, the seat of the work shops; a point in fact that combined all the advantages of a terminus and a quasi centre. It has been the important point on the line; to yield up its pre-eminence and to see the seat of power transferred to the position of another demands an unusual degree of philosophy and generosity as canded recognition of facts. Our friend of the Watchman zette's statement concerning his, Glad proves himself equal to the emer-
